WEDFIT

Engagement Rings

Cool, contemporary styling together with a range of classic wedding rings that fit together perfectly.

'Wedfit' engagement rings are designed to fit comfortably on your finger with no visible gap between the engagement & wedding ring.

Each design is available in a range of diamond sizes to suit individual taste and pocket.

For a perfect 'Wedfit' please ask to see the **DEVOTION** range of classic wedding rings.

Featured WEDFIT designs shown with a wedding ring from the REVOLUTION range.
Please see prices separate brochure.
